Nichi-In

salesforce partner

Certified Salesforce Consulting Partner

Enhancing Your Salesforce Experience Through Expert Support & Customization

Already using Salesforce?

We help you get the most out of it with **reliable support**, **smart customization**, and **seamless maintenance.**

WHAT WE DO

CUSTOMIZATION & ENHANCEMENTS
Tailored solutions to fit your business workflows

USER SUPPORT & TRAINING
Helping your teams use Salesforce effectively

AUTOMATION & PROCESS OPTIMIZATION
Build flows, approval processes, and automations

REPORTS & DASHBOARDS
Gain insights with powerful visual analytics

DATA SERVICES
Data import, cleanup, deduplication & backups

APP INTEGRATIONS
ERP, email, finance, HR tools — we connect them all

"Customizing Salesforce to optimize and grow businesses."

Why Work With a Consulting Salesforce Partner Like Us?

We are not here to sell Salesforce.
We are here to support you in using it smarter.

- Optimize Your Existing Salesforce Org
- Build What You Need, When You Need It
- Ensure Security & Role Setup
- Deliver Real-Time, Actionable Data Views
- Provide Hands-On Training

INDUSTRIES WE SUPPORT
