CII Marketplace **User Manual**

A complete guide for CII Marketplace is available at home page so that users can seamlessly use this B2B Platform to connect with buyers and sellers worldwide.

Dashboard Access

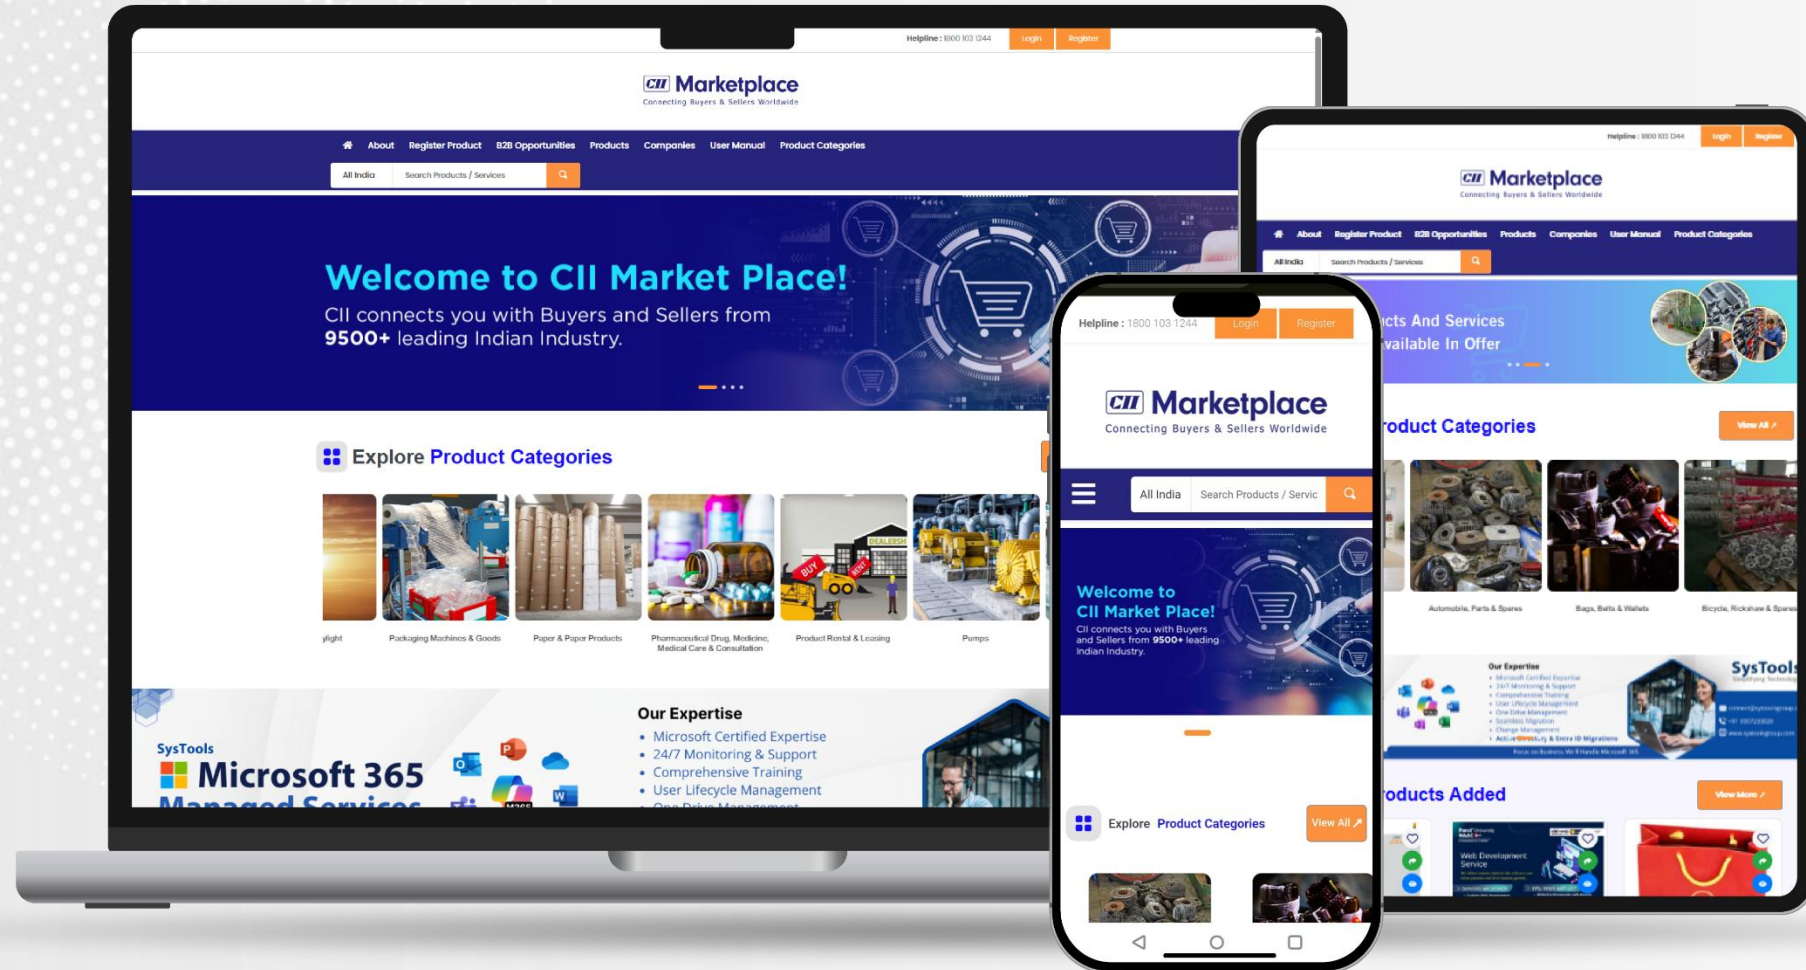

Upon a successful login, members can access their dashboard, where they can create and manage their company profile, publish products & services, and engage in various other functionalities.

The screenshot shows the 'Update profile' interface. On the left is a sidebar menu with options: My Profile, About Company, Publish Product/Service, Lead Management, My Requirement, My Wishlist, and Sign Out. The main area contains the following fields:

- Title ***: Select Title (dropdown)
- First name ***: Manish
- Last name ***: Gulati
- Designation ***: Director (dropdown)
- Email ***: sales@theeta.com
- Mobile no. ***: Country code (dropdown), Mobile no. (text)
- Phone no.**: Phone no. (text)
- Profile keyword**: (text area)
- Profile detail**: (text area containing 'India so largest exporter and manufacturer of heating elements')
- LinkedIn profile link**: (text area)

At the bottom right are 'Save' and 'Cancel' buttons.

Home Page of CII Marketplace

Menu Bar **Tabs**

Register Product

Sellers can register their products and services by clicking on “Register Product” tab.

- All required details of the products can be uploaded as per the required category along with their images, prices and other specifications.
- Any brochure or video related to the products/services can also be uploaded here.
- Once all details are filled and submitted, the products will be displayed in ‘Products’ page.

Menu Bar **Tabs**

B2B Opportunities

Both Members and Non-Member companies can view business opportunities as well as post their requirements. Drop down options are as follows:

Post Requirement- Users can add their specific requirements by clicking on 'Post Requirement' which can facilitate them to connect with the sellers. They can add their location and can attach any document also related to the requirement.

Browse Requirements- Users can browse the requirements of others also using "Browse Requirements" option and can contact them through contact details which are provided there. You can also see many B2B opportunities here like global tenders, proposals for partnerships etc. which can be of your interest.

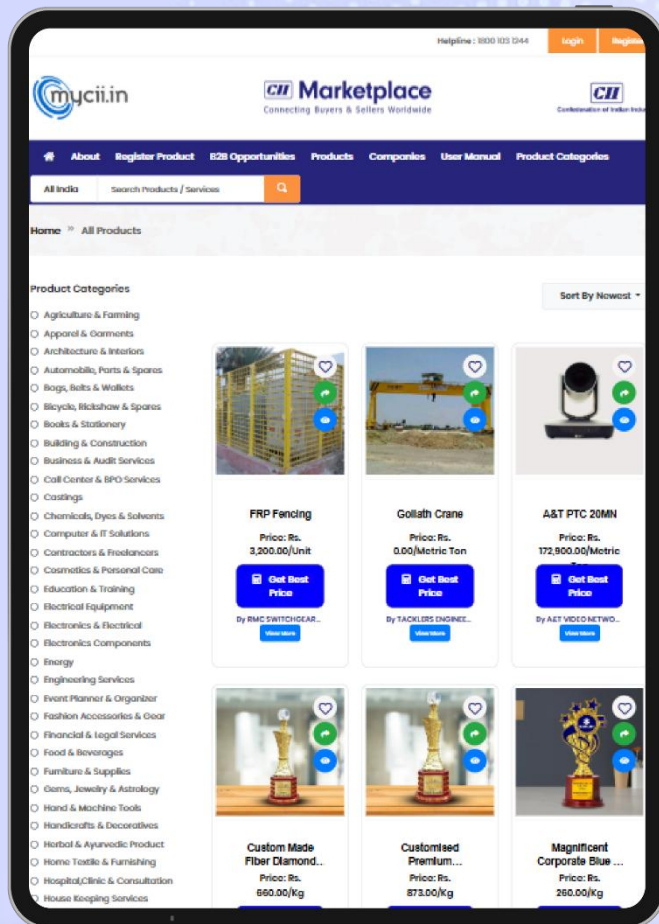

B2B Networking- Users can view all forthcoming CII events in which B2B meetings are scheduled.

Menu Bar **Tabs**

Products Tab

Users can find range of all available products and details of their sellers by clicking at “Products” tab.

- Users have the option to bookmark products of interest and add them to their wishlist.
- Buyers can click on “Get Best Price” to connect with seller for best price and to know more details about products or services.
- Buyer can send enquiry of any product by clicking on the button “Get Best Price” and can write message also for seller. On clicking “Submit” button, alert will go to the seller about that enquiry and seller can contact the enquirer for that.
- Buyers can view product/company details as well as contact details of sellers and can contact sellers directly also.
- Users can see all the other products of that company also by clicking on “View More” tab under each Product.
- Additionally, users have the option to sort products by newest, oldest, and by name.

Menu Bar **Tabs**

Companies Tab

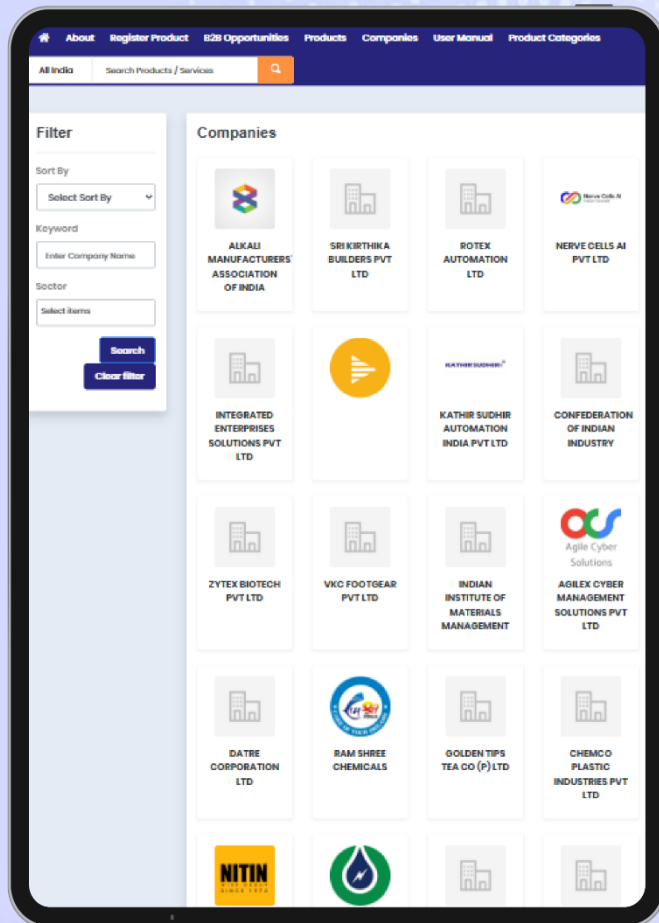

- Users can check complete list of companies by clicking on 'Companies' tab.
- They can refine the search using filter options like name of company, sector of interest etc.

Product Categories

- Users can explore all the products categorized by product category. Clicking on any category will display all products related to that specific category.
- Users can also refine their search further by checking its subcategories.

Search Bar

- Users can utilize the search bar to easily locate specific companies or products/services.
