**OUR PARTS MAKE YOU WHOLE**

## COMPANY PROFILE

We are the leading manufacturer, Exporter and Supplier of excellent quality Sheet Metal Parts, Automotive Components, Pump Parts, Shaft Key/Washers, Bearing Cover, Stone Less Flour Mill and Flour Mill Spare Parts, Elevator Parts, Custom Design Sheet Metal Parts, Precision CNC Machined Parts and Precision VMC Machined Parts, Laser & Banding Work. We are capable of manufacturing sheet metal welded parts with precision machining work. Bulk production is possible due to our strong infrastructure set-up equipped with modern machines and backed up with a team of experts. This also enables us to provide customization at most effective cost.

## OUR GOAL

Our goal is to always machine quality into the process and not rely on inspection find problems. We are constantly fine tuning our operations to continuously improve the quality and service supplied to our customers.

## QUALITY

We are committed to providing better quality product and service than our customer expect.

Excellence is what we do. The excellence of our work is reflected in our quality products.

## INSPECTION LABORATORY

## PRODUCTION FACILITY

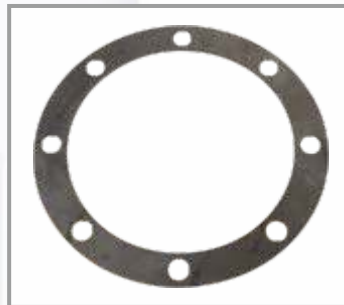

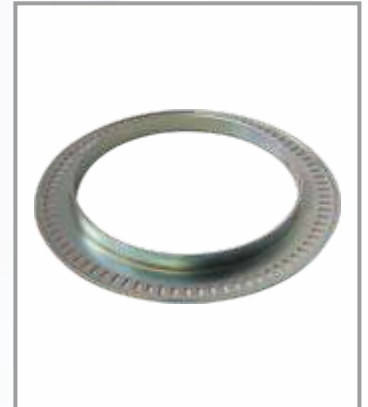

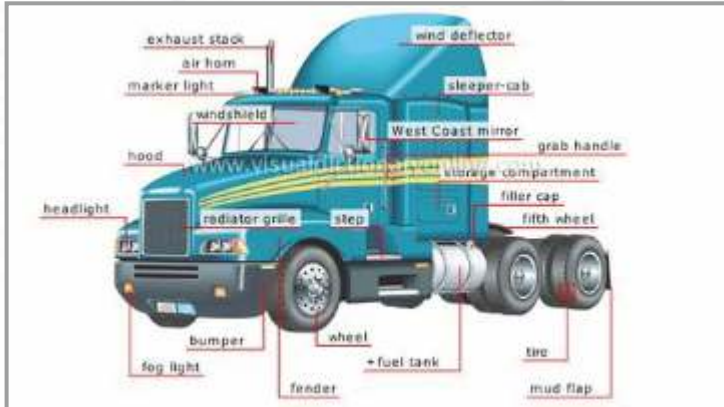

For manufacturing range of products and our production unit is equipped with following machinery.

Power Press (5 ton to 100 ton)	30 Nos.
Shearing Machine	4 Nos.
Hydraulic Press	5 Nos.
Deep Drawing Press Machine	2 Nos.
Electric Welding	4 Nos.
Mig Welding	2 Nos.
Tig Welding	2 Nos.
Gas Welding	1 Nos.
Spot Welding	2 Nos.
Laser Welding	1 Nos.
Argon Welding	2 Nos.
CNC Machine	4 Nos.
VMC Machine	1 Nos.
Lathe Machine	11 Nos.
Drilling Machine	15 Nos.
Balancing Machine	2 Nos.
Grinding Process	2 Nos.
Laser Machine	2 Nos.
Bending Machine	1 Nos.
