# TRANSFORMING TRUCKING FOR A **BETTER** TOMORROW

## **Vision:**

- To exceed customers' expectations by delivering cost-effective and high-quality service on time, every time.
- To be the market leader in the multimodal & integrated logistics segments.
- To build lasting customer relationships.

## **Mission:**

- To be a globally acclaimed professional and innovative end-to-end logistics solutions provider with an emphasis on quality, safety, and timely delivery of services.

## **Principle:**

- **'Connect – Collaborate – Co-create'** is the principle through which Redstag functions. We Connect our clients to their goals by efficiently Collaborating with the internal and external stakeholders to Co-create a better tomorrow that is delightfully rewarding to both the client's goal and our efforts.

## **Values:**

- **Passion** – Energized action.
- **Integrity** – Honesty in every action.
- **Quality** – Perfection in every action.
- **Commitment** – Deliver as promised.
- **Pioneering** – One step ahead always.
